FOR IMMEDIATE RELEASE

Hitachi Astemo to showcase advanced mobility solutions for Aftermarket at GAIKINDO Indonesia International Auto Show (GIAS) 2023

Rendition of booth exhibit

Tokyo, August 7, 2023 – Hitachi Astemo is pleased to announce that Hitachi Astemo Asia Ltd. together with joint venture company PT. Chemco Harapan Nusantara, will attend the 30th Gaikindo Indonesia International Auto Show (GIAS) 2023, held from Thursday, August 10 to Sunday, August 20, 2023 at the International Convention Center (ICE) BSD City, Tangerang, Indonesia.

Technologically advanced products that improve safety, driving performance and environmental sustainability will be on display. These include aftermarket products for motorcycles, including braking systems, wheels, racing wheels, racing brake parts, disc brakes and merchandise; and for automobiles, shock absorbers, brake pads, brake lining for commercial vehicles, wheels, EMS, IGN Coil, AC gas and fluids, including performance-replacement products. Our world class products make the driving experience safer and more memorable.

Hitachi Astemo and is committed to strengthening its business and innovation through its strategic business portfolio consisting of the Powertrain & Safety systems business, the Chassis business, the Motorcycle business, the Software business, and the Aftermarket business. Aiming for growth centered on "green," "digital" and "innovation", we will contribute to a better global environment through highly efficient internal combustion engine systems and

electric systems that reduces emissions; and enhance safety and comfort with autonomous driving, advanced driving assistance systems, and advanced chassis systems. By delivering such advanced mobility solutions, we will contribute to the realization of a sustainable society and the improvement of our customers' corporate value.
